

# Button It Up: Premier Open Air Photo Booth Rentals for Unforgettable Events and Lasting Memories

BUTTON IT UP is an original [open air photo booth rental](#) company that will take any event to another whole new level; full of fun, fashion and memorable experiences. Our open air arrangement is a versatile and spacious set up in contrast to the traditional enclosed booths which do not allow the guests to express themselves freely. Our photo booths are open air and can be used in any occasion, whether it is a wedding, company event, birthday, or a festival to record the impromptu scenes, group shots, and joyful participants. The broad nature of the design gives opportunity to larger groups to pose with each other, and every picture is full of life and happiness. The backgrounds are customizable, the props and the lights open to any possibilities to suit the theme and the mood of your event.

## 1 .Professional Pictures and On-the-Spot Photos.

At Button It Up, we are serious about quality so that you can have beautiful souvenirs. The advanced camera technology used captures high quality images that are sharp, lively and in a very sharp way. Visitors are able to print their photos right away in store, which makes them have a physical memory to bring home. We have also got high-speed printers, which print at professional levels in just a few seconds, and we also offer branding opportunities, which enable you to redesign your logos, event names or your own messages. The immediate print service is not only engaging to the guests, but it also promotes sharing and social engagement which makes your event livelier and memorable.

## **2 .Flawless Customization of each Event.**

Each occasion is a one time event and the open air photo booth rental provided by Button It Up gives a wide range of customization features to make it meet your requirements. Select among multiple backdrops (themed, scenic, or custom printed), it can be associated with the branding of your event. We have a wide range of props, including hats, glasses, signs, and costumes with the aim of making people get creative and laugh. Moreover, you are able to configure the photo strip design, overlay designs and digital galleries to suit your event. We collaborate hand in hand with you to make sure that the photo booth experience is just as per your vision and a customized entertainment highlight.

## **3 .Painless Installation and Technical Support.**

Button It Up boasts of hassle free professional service delivery. We do all the installation and dismantling so that the photo booth is all set and ready to operate on your event day without inconvenience. We come early enough to install the equipment and make sure everything is working perfectly well. Our friendly staff will also be present during the event to serve the guests, troubleshoot any problems, and ensure that the photo booth runs without problems. We also provide flexible rental periods, be it in a couple of hours or during the entire event as we want to get the maximum out of you and your involvement.

## **4 .Make Your Event Social Media-Friendly.**

In the modern era of the Internet, it is necessary to share experience in real-time. Holiday Snacks have options of social media integration in our open air photo booth so guests can also share their photos on Facebook, Instagram or email. This aspect enhances the reach of your event enabling friends and family that may not have been present to experience the moments virtually. It also makes guests more active as they can be sure that their photos can be shared on the spot and publicly. Individualized digital overlay and hashtag make it possible to have a unified web experience that commemorates your special event.
